**MONTH AND YEAR FOR NEXT
REVIEW OF THE CHARTER**

“Once in a year in the month of August”

INDIAN INSTITUTE OF MASS COMMUNICATION

The Indian Institute of Mass Communication (IIMC) has been entrusted with the responsibility of teaching, training and research activities in the area of Mass Communication. The IIMC has always endeavoured to imbibe a sense of commitment and dedication to all its Faculty, Officers and Staff to perform their duties without any prejudice to anyone in a transparent manner, for which a Citizen's Charter has been specifically prepared and followed.

2 The Citizen's Charter is a commitment of IIMC services to students, staff members, officers, faculty members and any other persons having any relation with the working/activities of the Institute.

3 The Vision and Mission of IIMC have been prepared keeping in mind the expectations of stakeholders and services to be provided to clients to their satisfaction.

4 In this direction, a grievance redressal mechanism has been put in place, wherein a Public Grievance Officer, in this instance Additional Director General/ Registrar, IIMC, has been nominated, whose name and contact details have been given on our web site. Response to be expected by a person lodging a grievance is within one month and the timeline for redressal is within three months.

5 Information pertaining to admissions to various courses and recruitment to posts as well as tender documents is uploaded on the Institute's website. Users may download application forms for admission and for recruitment to posts as well as tender documents. Admit cards, letters for interviews and results for the entrance exams and the semester exams are also uploaded on the website.

6. Periodic monitoring of projects is done through a monitoring committee comprising of DG, ADG, Dy. Registrar, Consultant Engineering, Consultant Finance and Technical Advisor.

7. Periodic reports on the ongoing plan scheme are sent to the Ministry of Information and Broadcasting as well as to the CVC (CTE).

8. Fair and transparent procedure is followed for acquisition of stores and undertaking works in the Institute. The procedure outlined in GFRs is followed.

9. Tender above the value of Rs. 2 lakhs are uploaded in the central procurement portal of Govt. of India.

10. Indian Institute of Mass Communication website has been made dynamic, along with a payment gateway, so that the payment options etc can be done online for submission of fees along with application form admission/recruitment.

11. All efforts are made to allot sensitive jobs in the Indian Institute of Mass Communication to different persons so that there is no monopoly of any person attending to sensitive jobs.

12. There are defined powers to be used by various levels of officers and there is little scope of discretion available with them. Whenever such situation arises, the power is utilized in a judicious, transparent and reasoned manner. Such power is also subject to scrutiny by higher authorities. There is also an Executive Council and the General Body where all major decisions taken by the authorities are ratified and policy decisions are taken.

13. Periodical and surprise checks are conducted to see that activities in the Institute are performed in a fair and transparent manner.

Steps have been taken to analyze every service and information required for the public and to provide timely and useful information to citizens in a rational and simple method.

14. IIMC has also taken steps to incorporate the view points of all related citizens for its services and the website is being updated and re-designed on the basis of feedback.

15. IIMC has also created a separate department for New Media and has a very active social media tools such as Facebook, Twitter, Youtube etc.
16. The Citizen's Charter of IIMC is revised one in year in the month of August.
17. The Director General of IIMC has been nominated as the Transparency Officer of IIMC to ensure efficient and transparent public dealing in all aspects.
